

Leadership Bootcamp

Teal Talent Development's Leadership Boot camp offers a comprehensive course of study for new and experienced leaders. The Teal Leadership bootcamp helps leaders develop skills through robust discussions, learning activities and real-life planning and practice.

Organizations can customize their own bootcamp by selecting topics that best fit their business, culture and the needs of their leaders! Each topic is four hours long and can be customized upon request.

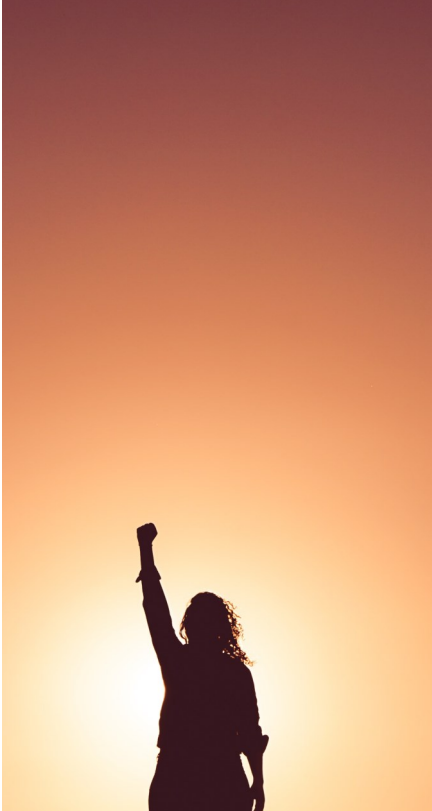

To build your own leadership bootcamp, choose from the following topics:

- Transition to Leadership
- Communicating as a leader
- Coaching with Class
- Leaders and the Law
- Managing Conflict
- Leading Change
- Setting Priorities/Time Management
- Interviewing and Hiring
- Documentation and Discipline
- Diversity and Inclusion

Workshop: 16-24 hours, depending on topic

“Leadership and learning are indispensable to each other.”
