Leading Now

Today, more than ever, organizations and individuals are depending on strong leaders.

In the Leading Now workshop, leaders will explore the key role they will play in achieving the goals of their organization and engaging their teams. They will identify best practices for being an effective leader and create a strategy for taking their leadership skills to the next level.

This workshop is interactive and will require collaboration and communication in class. It is appropriate for leaders of individual contributors and leaders of teams.

In the Leading Now course participants should learn how to:

- Describe the three critical key roles of a leader: driving the business, leading your team and managing yourself
- Set professional boundaries for yourself as a leader
- Identify critical leadership competencies: building effective teams, ensuring accountability, collaborating, customer/student focus, and managing ambiguity
- Communicate feedback effectively as a leader

Workshop time: 4 hours

“Leadership is a way of thinking, a way of acting and, most importantly, a way of communicating.”

~Simon Sinek
